Dear Jeff;

I really want to thank you and your team for your expertise and all the care that you all took with selling my parents home in Desert Shores. Way before the time that you took the listing, I knew that my referral to you was the right choice. Your patience, kindness and ability to answer all of my folks questions and concerns helped them understand that you were the right choice.

Thanks for how you handled everything; you got them the price that they were looking for, without much in repairs. You had a recommendation for all the right vendors. Very cool for a 27 year old house. Best part, we were in escrow within 30 days. Price, timing and true concern. All a winning combination.

I look forward to referring a lot more lucky clients your way. You made a friend for life.

Best Regards,  
Deb Brown
