Subject: Testimonial

We were \$140,000 upside down in our home when Jeff and his team took us on as clients. They really got the job done. The first day the house was on the market we had four potential buyers and within a few months Jeff and his team got two different lenders to agree to relieve us of our debt, no cost to us.

They really did a good job. We were always informed of what was going on and even if there were no updates Jeff called us on weekly basis. It felt as if Jeff had our best interest in mind. He was very attentive and always answered our calls and emails.

We would recommend Jeff and his team to any of our friends and family and will most definitely use him for any of our future real estate needs.

Thanks Jeff and team

Kris and Jennie

Would you like the testimonial in word format or will a simple email testimonial work?
